### § 1228.52 Withdrawal of disposal authority.

In an emergency or in the interest of efficiency of Government operations, NARA will withdraw disposal authorizations in approved disposal schedules (44 U.S.C. 2909). This withdrawal may apply to particular items on schedules submitted by agencies or may apply to all existing authorizations for the disposal of a specified type of record obtained by any or all agencies of the Government. If the withdrawal is applicable to only one agency, that agency will be notified of this action by letter signed by the Archivist; if applicable to more than one agency, notification may be by NARA bulletin issued and signed by the Archivist.

### § 1228.54 Temporary extension of retention periods.

(a) Approved agency records schedules and the General Records Schedules are mandatory (44 U.S.C. 3303a). Records series or systems eligible for destruction must not be maintained longer without the prior written approval of the National Archives and Records Administration (NWML) except when:

(1) The agency has requested a change in the retention period for the records series or system in accordance with § 1228.32; or

(2) Records are needed for up to one year beyond the date they are eligible for disposal. When such records are in a records storage facility, the agency must notify the facility of the need for continued retention of the records.

(b) Upon submission of adequate justification, NARA may authorize a Federal agency to extend the retention period of a series or system of records (44 U.S.C. 2909). (4) A statement of the current and proposed physical location of the records.

(d) Approval of a request for extension of retention periods may apply to records in the custody of one Federal agency or records common to several or all Federal agencies. If approval of a request is applicable to records in the custody of one agency, that agency will be notified by letter. If approval is applicable to records common to several agencies, notification may be made by NARA bulletin.

(e) Agencies must ensure that affected records storage facilities are notified when NARA approves an extension of the retention period beyond the period authorized in the records control schedule. Agencies must forward to NARA (NWML) two copies of all formally issued instructions which extend the retention periods.

(f) Upon expiration of an approved extension of retention period, NARA will notify all affected agencies to apply normal retention requirements.
